Mr. William Kloopfer, Jr.  
Chief, Office of Information  
Civil Aeronautics Board  
Washington 25, D. C.

Dear Mr. Kloopfer:

25X1 This is in reply to your letter of 19 December 1957, enclosing copies of letters from the Chairman of the Board to [redacted] dated 17 November 1950, and to the Executive Secretary, EIC, dated 17 February 1956. These copies are returned with this letter.

Your referral of these documents to us for review is appreciated. Inasmuch as the Board feels that the Special Subcommittee on Legislative Oversight has a proper interest in them, we would have no objection to the Board's showing them to the Subcommittee as described in your letter.

If we may be of further assistance, do not hesitate to call upon us.

Sincerely,

John S. Warner  
Legislative Counsel
